Memorandum

Subject: LODESTONE EIA APPLICATION APP 002259

**PROPOSED NEW 132 KV POWERLINE TO THE DORDABIS IRON
ORE MINE**

**Submission of the final EIA report to the Ministry of Mines and Energy
(MME) – Energy Directorate**

The EIA process for the above mentioned activities have been completed.

The Final EIA documentation was submitted to the Ministry of Mines and Energy – Energy Directorate (i.e. Competent Authority for the proposed activity) in December 2020, for their review and consideration.

Once the MME have completed their review, they will share the report as well as their recommendations with the Ministry of Environment, Forestry and Tourism (MEFT): Department of Environmental Affairs (i.e. office of the Environmental Commissioner) for their final review and decision regarding the application (MEFT Application number - APP-002259).

A “Consent Letter” can therefore not be uploaded by Namisun at this stage, due to the fact that the correspondence will take place between MME and MEFT, as per the above mentioned.
