Oshikoto Regional Council
Omuthiya

Dear Mrs. Victoria N. Kapenda

29 January 2020

INVITATION TO COMMENT ON THE ENVIRONMENTAL MANAGEMENT PLAN FOR THE EXISTING OKANKOLOSE GRAVEL BURROW (MINING) PIT, OMUTHIYA.

Green Gain Consultants cc has been appointed by the Omuthiya Town Council to prepare an Environmental Management Plan (EMP) for the existing Okankololose gravel burrow pit in Omuthiya.

In terms of the EIA Regulations, all activities listed under Schedule 1 of the Regulations (GN No.30. 2012), should not be carried out without an Environmental Clearance Certificate (ECC) being obtained.

In this regard, Green Gain Consultants cc hereby informing you that, an application for the ECC for the existing Okankololose gravel burrow pit will be submitted to the Environmental Commissioner.

Since the Okankololose gravel burrow pit has been in existence for many years, the preparation of an EMP for the operation of the burrow pit was deemed sufficient. The Background Information Document (BID) is here attached for your perusal. Kindly send us your comments and inputs for considerations.

Yours faithfully.
