### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Samorna Brain Kangura Mudumbi  
P.O. Box 24364  
Windhoek  
Namibia

Dear Sir,

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED CONVERSION OF MINING CLAIMS NO. 70385 INTO MINING LICENCE (ML) 214, SITUATED AT FARM OKAWAYO NO. 46, KARIBIB DISTRICT, ERONGO REGION**

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as they made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following conditions: (a) land owner must be notified at all times on the operations of the project; (b) rehabilitation and closure plan for all quarries must be implemented; and (c) conduct bi-annual environmental audit.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Mr. Samorna Brain Kangura Mudumbi and his consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Fredrick Mupoti Sikabongo  
DEPUTY ENVIRONMENTAL COMMISSIONER
