OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
National Petroleum Corporation of Namibia (Pty) Ltd
P.O. Box 13196
Windhoek, Namibia

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED CONSTRUCTION AND OPERATION OF A NEW BULK FUEL STORAGE FACILITY AT THE SHALI INDUSTRIAL ESTATE IN WINDHOEK, KHOMAS REGION

The Environmental Scoping Report and Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout the process.

This Ministry reserves the right to attach legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with National Petroleum Corporation of Namibia (Pty) Ltd and his/her consultant.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
