

PROJECT LOCATION

The proponent intends to carry out mining activities to mine base and rare metals, precious metals & semi-precious stones on the mining claims 72252 & 72253 at Okomuhona, Village, Opuwo Rural Constituency, in the Kunene Region. The mining claims are situated about 3 km south of Okomuhona Village, which is situated about 10 km north of Otjokavare, within the Opuwo Rural constituency, Kunene Region. Its geographical coordinates are 19° 0' 52" South, 14° 18' 21" East and 19° 03' 12" South, 14° 15' 13" East. The mining claims are accessible via the track leading to Okomuhona village which branches out toward the west before the bridge when using the C35 road from Otjokavare to Omakange within the Orupupa conservancy. Refer to **Figure 1** for locality map of Okomuhona village where the mining claims 72252 & 72253 for the base and rare metals, precious metals & semi-precious stones are situated.
