Subject: APPLICATION APP-002313, APP-002314, APP-002315, APP-002542 AND APP-002600
SCOPING (INCLUDING IMPACT ASSESSMENT) FOR THE PROPOSED EXPLORATION ACTIVITIES ON EPL 6424, 6722, 7031, 7183 AND 8237 NEAR KHORIXAS IN THE KUNENE REGION.

Submission of the final report to the Ministry of Mines and Energy (MME)

The EIA process for the above mentioned project has been completed. The final Scoping Report (including impact assessment) was submitted to the MME (i.e., the competent authority for the proposed activity) on 28 June 2021, for their review and consideration.

Once the MME have completed their review, they will share the report as well as their recommendations with the Ministry of Environment, Forestry and Tourism (MEFT): Department of Environmental Affairs (i.e., the office of the Environmental Commissioner) for their final review and decision regarding the application (MEFT Application number - APP-002313, APP-002314, APP-002315, APP-002542 and APP-002600).

A "Consent Letter" can therefore not be uploaded by Namisun at this stage, due to the fact that the correspondence will take place between MME and MEFT, as explained above.
