ENVIRONMENTAL CLEARANCE NOTICE Public Participation Notice in terms of Regulation No. 29, Section 21 under the Environmental Management Act (Act No. 7 of 2007)

Project Name: Proposed Integrated Industrial Township & Related Infrastructure titled "Bakersville Smart Industrial City", Situated in Registration Division G, Erongo Region, Namibia
Proponent: Bakersville Township Development (Pty) Ltd
EAP: Centre for Impact Evaluation & Research Design (C4IERD)
Reviewer: Ministry of Environment, Forestry & Tourism (MEFT)

The proponent has planned to develop a smart integrated Township Situated in Registration Division G, Erongo Region. The proposed "Bakersville Smart Industrial City", is planned to address industrial demand and new emerging housing need including affordable housing, by creating infrastructure and a globally competitive environment that attracts investment and promotes sustainable development.

BSIC is planned with industrial and residential spaces with other commercial, institutional and supporting uses on the concept of Transit-Oriented Development (TOD). The project proposes to have sustainable economic base primarily driven by manufacturing product mix along with institutional and supported by residential and commercial activities. The township proposes to provide trunk infrastructure facilities including supporting social and physical infrastructure to boost the sustainable economy in combination of Solar Plant, Fluid Catalytic Cracking (FCC) Complex, etc.

Interested and Affected Parties (I&APs) are hereby invited to register and participate in the public consultation process to give input, comments, and opinions, in writing not later than the 11th of October 2022.
