**Re: Screening confirmation notice.**

Dear Mr. Ncindo,

In recent weeks, NWR experienced malware attack that resulted in downtime with our network. It is highly likely that during this period the Ministry of Environment, Forestry and Tourism send confirmation of the screening notice for the submitted Environmental Management Plans (EMPs).

Our records show that we have not yet received confirmation of the screening notices for **App-002394; App-002395; App-002396; App-002397 and App-0023400** applications.

May you kindly resent the screening notice so that the next step of the process can commence.

Thanking you in advance,

Yours sincerely,

Fransiska Nghitila
