OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The General Manager
Dunes Mall (Pty) Ltd
P O Box 90757
Windhoek
Namibia

Dear Sir /Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE ESTABLISHMENT AND OPERATION OF THE PROPOSED SERVICE STATION ON ERF 5433 (DUNES MALL) IN WALVIS BAY, ERONGO REGION

The Environmental Impact Assessment report and Environmental Management Plan submitted are sufficient as these make provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Dunes Mall and its consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
