### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Manager  
African Tantalium (Pty) Ltd  
No. 17 Parsival Street  
Korrigan Square  
Windhoek

Dear Sir/Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED TRANSPORTATION OF TANTALITE ORE FROM NAMIBIA TANTALITE MINE TO WALVIS BAY PORT, LÜDERITZ PORT, ARIAMSVLEI BORDER POST AND HOSEA KUTAKO INTERNATIONAL AIRPORT**

The Environmental impact assessment and Environmental Management Plan submitted are sufficient as these makes an adequate provision of the environmental management for the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with African Tantalium (Pty) Ltd and their consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
