Dear Potential Interested and Affected Party

Environam Consultants Trading is a wholly Namibian owned environmental management consultancy providing an array of environmental services to our clients including: Strategic Environmental Assessments; Environmental Assessments; Strategic Environmental Management Plans; Environmental Management Plans; Environmental Management Systems; Environmental Auditing, Monitoring and Evaluation; Solid Waste Management; and Project Management. Our daily activities are underpinned by excellent environmental outcomes aimed at achieving a symbiotic relationship between development and the environment.

We have been appointed by **Theresia Jeaneth Aochamus** to undertake the environmental scoping exercise and apply for an environmental clearance certificate from the Environmental Commissioner for the project below:

Environmental Impact Assessment for Prospecting and Exploration Activities on EPL 8097, Erongo Region.

The construction of facilities for any process or activities which requires a licence, right or other form of authorisation, and the renewal of a licence, right or other form of authorisation, in terms of the Minerals (Prospecting and Mining Act), 1992; Other forms of mining or extraction of any natural resources whether regulated by law or not; and Resource extraction, manipulation, conservation and related activities are listed activities as per the *List of Activities requiring Environmental Clearance* (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this Environmental Impact Assessment.

An Environmental assessment will be undertaken to determine the potential impact of the development on the environment and to determine all safety, health and social impacts associated with the proposed development activities.

Should you require any additional information or would like to register as an I&AP, please contact us at Mobile: +264 81 458 4297, Fax: +264 61 258 470 or E-Mail: colin@environam.com; P.O. Box 24213, Windhoek, on or before **16 September 2022**.

Kindly indicate if you would be available to accommodate us for a consultative meeting in the coming week starting 5 September 2022 in Omatjete or if the information shared so far is sufficient to enable you to provide input and comments or seek clarification about this assignment.
