### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Director  
Wakuna Investment cc  
P O Box 2086  
Walvis Bay  
Namibia

Dear Sir /Madam

#### **SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED ESTABLISHMENT OF TWO NEW TOWNSHIPS (EXTENSION 16 AND 17) IN WALVIS BAY, ERONGO REGION**

The Environmental Impact Assessment and Environmental Management Plan submitted are sufficient as these made provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Wakuna Investment cc and its consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
