**Subject:** Request for a business meeting - EPL 7000 on the Hackelsdoorn

Dear Mr Burmeister,

My name is Toivo Kamati, I do Geo-consultancy work for Shali Investment cc, a holder of EPL 7000, which is located on the Hackelsdoorn along the Orange river.

The reason for email you is to findout if it is possible to meet you in Windhoek to introduce the company, EPL 7000, and to request for permission to explore mineral rights for a period of 3 years, starting July 2018 on farm Hackelsdoorn.

The exploration programme is aimed at finding diamondiferous gravels by means of ground mapping of the area's geology and topology, geophysical measurements by airborne observations, taking occasional hand samples of surface rock, stream sediments, drilling or trenching

The exploration programme is aimed at finding diamondiferous gravels by means of ground mapping of the area's geology and topology, geophysical measurements by airborne observations, taking occasional hand samples of surface rock, stream sediments, drilling or trenching.

Please communicate the date, time and venues that suites you the most to discuss this business.

Thank you !

Regards,

Mr Toivo Kamati
