Dear Mr. Nasau

RE: LAND APPLICATION FOR A ONE STOP INDUSTRIAL FACILITY: 30MW GREEN HYDROGEN PLANT, WAYEROLLER MANUFACTURING FACILITY, VANADIUM REDOX FLOW BATTERY STORAGE, SUPHUR PLUMES RESEARCH CENTRE

At its Ordinary Regional Council Meeting vide **334.23.10.11.06** held on the 06 October 2023 Council resolved:

- To provisionally agree to the proposed development subjected to conditions for further approval.
- That a Town and Regional Planner be appointed to formally submit a subdivision application within six months for Council approval.
- That an environmental clearance be obtained for the project, before submission to the Urban and Regional Planning Board.
- That all statutory processes be followed.
- That on final approval of the subdivision, a lease agreement be signed with the Erongo Regional Council.
- That the Social Responsibility be reconsidered and agreed on with the signing of the Lease Agreement.

For more clarity kindly, contact the Acting Chief Regional Officer Ms. D.D. Cloete.

Yours faithfully,

Ms. D.D. Cloete
Acting Chief Regional Officer
