Subject: Environmental Impact Assessment for the Proposed Establishment of the Flexible Land Tenure Schemes in Rundu
Attachments: 23-0661 Rundu FLT BID.pdf

Dear Potential Interested and Affected Party

Stubenrauch Planning Consultants (SPC) hereby give notice to all potentially Interested and Affected Parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 of 6 February 2012) for the following:

- **Establishment of the Flexible Land Tenure Scheme in Ndama-South Informal Settlement in Rundu, Kavango-East Region.**
- **Creation of block erven and streets within the Flexible Land Tenure Scheme Boundaries of Ndama-South Informal Settlement.**
- **Provision of associated bulk services.**

The construction of Public roads and the route determination of roads and design of associated physical infrastructure where it is a public road are listed activities as per the List of Activities requiring Environmental Clearance (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this EIA. An Environmental Assessment will be undertaken to determine the potential impact of the development on the environment and to determine all environmental, and social impacts associated with the proposed development activities. A background information document is attached detailing the activity and the intended environmental assessment process.

The proponent intends to establish the Flexible Land Tenure Scheme for the Ndama-South Informal Settlement in Rundu Town.

In line with Namibia's Environmental Management Act (No. 7 of 2007) and EIA regulations (GN 30 of 6 February 2012), all I&APs are hereby invited to register and submit their comments, concerns, or questions in writing via Email: bronwynn@spc.com.na; Tel: 061 25 11 89 or Fax: 061 25 21 57 on or before Thursday, 19 October 2023.
