OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr Muronga Haingura
Chief Executive Officer
The Municipality of Walvis Bay
Private Bag 5017
Walvis Bay

Dear Mr Haingura

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR AN EXISTING WALVIS BAY LANDFILL SITE, ERONGO REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout the process.

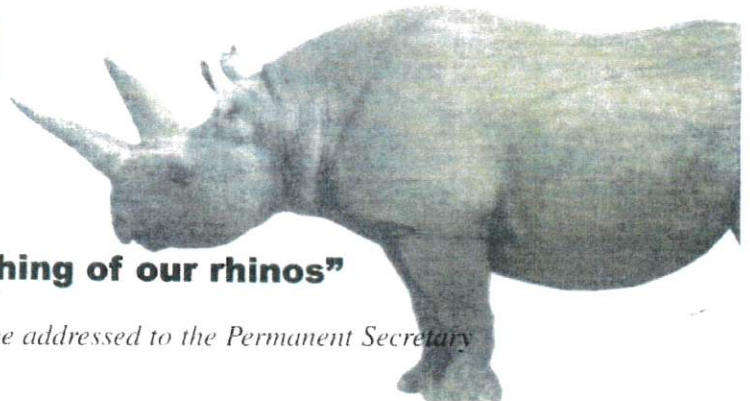

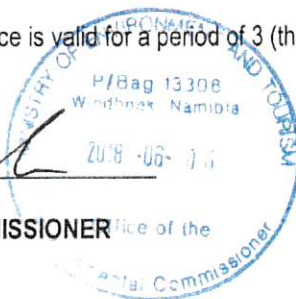

This Ministry would like your institution to provide quarterly reports of waste that will be generated during the period of this environmental clearance and further reserves the right to attach legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to proceed. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the Municipality of Walvis Bay.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
