6. SUBLEASE/SITE SHARING

- 6.1. The Lessee shall be entitled to sublease part or whole of the land to the other entities or suppliers of telecommunication services to use the land or equipment thereon on the terms not in conflict with this agreement.
- 6.2. The Lessee shall be entitled, and with the Lessor's prior consent, to share or allow the occupation of the land as well as facilities thereon by a company or entity associated with the Lessee.
- 6.3. The Lessor has the right to apply and join the tower built by the Lessee provided that;
- 6.3.1. the Lessor applies for the co-location through the regular PowerCom site sharing procedures
 - 6.3.2. the Lessor submits a proper structural analysis produced by a registered structural engineer on the additional load of the added equipment and antennas to the Lessee
 - 6.3.3. the Lessee approve the structural analysis
 - 6.3.4. the principle "First come, First served" applies to this agreement
 - 6.3.5. the requested height or space is not occupied or reserved by another co-locator.

7. INDEMNITY

- 7.1. The Lessee shall be liable for and indemnify the Lessor against any loss or damage that any entity or supplier referred to in clause 6, which is caused to the Lessor's equipment if any and installations on the property in the exercise of its rights by the conferred by the Lessee.
- 7.2. The parties agree that the Lessee, for purpose of using any structure and/or equipment constructed and/or erected, shall require the supply of electric current. The Lessee shall pay for any costs in relations to the installation of supply. It is further recorded that only persons appointed by the Lessee shall be entitled to supply and install, in terms of this clause, the necessary wiring and earthing systems for equipment and/or structure constructed after consenting by the Lessor to the proposed works.

8. CONTRACTING WITH COMPETITORS

The Lessor may contract with any other supplier of telecommunication service provider in respect of its property without the Lessee's prior consent. The Lessor however undertakes that any existing or future supplier or telecommunication service provider, if any, and its equipment shall not limit or obstruct the functionality of the Lessee's equipment or the access to and exit from the premises and the Lessee's site and installations thereon.

9. LESSEE'S RIGHTS OF ENTRY AND CARRYING OUT OF WORKS

The Lessee's representatives, agents, servants and contractors may at all reasonable times, enter the premises and make use of the necessary access roads in order to inspect any part of the Site, to carry out any necessary repairs, replacements or other works, or to perform any other lawful function in the bona fide interests of the Lessee but the Lessee shall ensure that this right is exercised with due regard for and a minimum of interference with, the beneficial enjoyment of the owners of all adjacent properties and those in occupation thereof.

10. OWNERSHIP

Any equipment and/or structures constructed and/or erected in terms of clause 4 shall remain the property of the Lessee, and the parties agree that same shall at all times be regarded as and constitute moveable property, and that the Lessee shall be obliged, at the termination of this Agreement, for whatever reasons, to remove such equipment within a period of 90 (ninety) days after termination of the contract at its own cost.

11. SECURITY

The Lessee and the Lessor shall co-operate with each other and jointly at all times ensure that the entrance to the premises is controlled and shall be locked when the premises are unoccupied.

12. WARRANTIES

- 12.1. The Lessor warrants that he is the registered owner of the property and has exclusive title and rights thereto and that there is no third party rights, real or personal liens, limitations or constraints of any nature whatsoever which may exclude or limit the Lessee's rights under this Agreement.
- 12.2. The Lessor will avoid any act or use of the premises by third parties that may in one or any other way affect the proper functioning of the Lessee's equipment and infrastructure. The Lessee will avoid any act or use of the equipment and infrastructure that will disturb the normal functioning of the existing Lessor's equipment. In case of disturbance or interference caused by either Party, the disturbing Party shall take all necessary measures in order to correct the disturbance and restore the normal functioning of the affected equipment.

13. ALTERATIONS

- 13.1. Upon termination of the agreement, as proprietor of the equipment and/or structures, the Lessee will retain the title to the equipment and/or structures (all the elements and components of the Base Station) and shall, within a reasonable period and its own costs, remove its personal property and fixtures, except for underground supporting structures (if any have been installed) and restore the premises to its original

condition, normal wear and tear excepted. The Lessor shall take any necessary action to ensure that the equipment and/or structures be removed by the Lessee or by any person designated by the Lessee.

- 13.2. The Lessor shall not change, move, alter or interfere with any installation construction, erection, structure or equipment in or upon the premises constructed and/or erected by the Lessee, nor shall the Lessor attach any electrical appliances to the electric system of the supplied premises allocated by the Lessor, supplied for the purpose if any such installation, construction, erection, structure or equipment interfere, alter or do any repairs to the electric system referred to above, without the prior written consent of the Lessee first having been obtained, and the Lessor shall not appoint any person other than such persons that may from time to time be approved by the Lessee for the execution of any such works, whether in relation to wiring, the repair of equipment or the joining of cabling or otherwise.

14. BREACH

Should the Lessee default in any payment due under this Agreement or be in breach of its terms in any other way, and fail to remedy such default or breach within 14 days after receiving a written demand that it be remedied, the Lessor shall be entitled, without prejudice to any alternative or additional right of action or remedy available to the Lessor under the circumstances, to cancel this Agreement without further notice with immediate effect.

15. CESSION

The Lessor shall not for whatever reason during the currency of this agreement cede, assign, transfer or make-over any of the Lessee's right in terms of this lease, nor give up occupation or possession of the premises or any portion thereof, without the Lessee's prior consent, which consent shall not be unreasonably withheld. Having obtained the Lessee's consent, the Lessor undertakes to have any obligation under this Agreement transferred and delegated to the transferee's party and shall be jointly responsible for the aforesaid obligation together with Lessee.

16. CONFIDENTIALITY

Notwithstanding the cancellation or termination of this Agreement, no Party ("Receiving Party") shall, at any time after the conclusion of this Agreement, disclose to any Person or use in any manner whatsoever the other Party's ("Disclosing Party") Confidential Information or the existence and contents of this Agreement, provided -

16.1 that the Receiving Party may disclose the Disclosing Party's Confidential Information and the existence and contents of this Agreement -

16.1.2 to permit the use thereof by its Affiliates, employees, representatives and professional advisers (and the employees, representatives and professional advisers of its Affiliates) to the extent strictly necessary for the purpose of implementing or enforcing this Agreement or obtaining professional advice or conducting its business, it being specifically agreed that any disclosure or use by any such Affiliate, employee, representative or professional adviser (or employee, representative or professional adviser of an Affiliate) of such confidential or other information for any other purpose shall constitute a breach of this Clause 13 by the Receiving Party; and

16.2 the provisions of this Clause shall cease to apply to any Confidential Information of any Party that –

16.2.1 is or becomes generally available to the public other than as a result of a breach by the Receiving Party of its obligations in terms of this Clause.

Information received by the Receiving Party from any other Person who did not acquire such Confidential Information subject to any duty of confidentiality in favour of another Person; or was known to the Receiving Party prior to receiving it from the Disclosing Party.

17. FORCE MAJEURE

17.1 If either Party is prevented from carrying out any of its obligations in terms of this Agreement as a result of an act of God, strike, fire, riot, war (whether declared or not), power outages, embargoes, international restriction, any court order or any requirements of any other competent authority, or any other circumstances whatsoever which are not within the reasonable control of that Party ("Affected Party"), including any event of force majeure under the Agreement, to the extent applicable, then to the extent that and for so long as the Affected Party is so prevented from performing its obligations in terms of this Agreement, this Agreement will be deemed to have been suspended.

17.2 As soon as the Affected Party becomes aware that an act of force majeure is likely to cause a suspension of this Agreement, it shall give notice in writing to the other Party, estimating the approximate duration of such suspension. The estimate shall not be binding, and the Affected Party shall give notice to the other Party as soon as the force majeure ceases to operate.

17.3 Should an event of force majeure continue for more than 30 (thirty) days after the date of the notice, then the Affected Party shall be entitled (but not obliged) to terminate this Agreement by giving not less than 14 (fourteen) days written notice to that effect to the other Party.

18. GOVERNING LAW AND ARBITRATION

- 18.1 This Agreement shall be governed by, construed and interpreted in accordance with the Laws of the Republic of Namibia.
- 18.2 Should any dispute arise between the Parties in connection with the interpretation or application of the provisions of this Agreement or if breach or termination or the validity of any documents furnished by the Parties pursuant to the provisions of this Agreement, that dispute will, unless resolved amongst the Parties be referred to and be determined by arbitration in terms of this clause. Any matter related to arbitration not dealt with under this clause shall be governed by the Arbitration Act, 1965 (Act 42 of 1965).
- 18.3 Any Party to this Agreement may demand that a dispute be determined in terms of this clause by written notice given to the other Party.
- 18.4 This clause will not preclude any Party from obtaining interim relief on an urgent basis from a court of competent jurisdiction pending the decisions of the arbitrator.
- 18.5 The arbitration will be held—
- 18.5.1 In Windhoek,
 - 18.5.2 With only the Parties and the legal and other representatives of the Parties to the dispute being present; and
 - 18.5.3 In accordance with the formalities and procedures settled by the arbitrator and may be held in an informal and summary manner on the basis that it will not be necessary to observe or carry out the usual formalities or procedures, pleadings and discovery or the strict rules of evidence, it being the intention that the arbitration will be held and completed as soon as possible.
 - 18.5.4 The arbitrator will be acceptable to both Parties and if the matter in dispute is principally—
 - 18.5.4.1 A legal matter, a practising Legal Practitioner of at least 10 (ten) years' standing;
 - 18.5.4.2 An accounting matter, a Chartered Accountant of at least 10 (ten) years' standing;
 - 18.5.4.3 Any other matter, an independent person.
- 18.6 Should the Parties to the dispute fail to agree whether the dispute is principally legal, accounting or other matter within 7 (seven) days after the arbitration was demanded, the matter will be deemed a legal matter.
- 18.7 Should the Parties to the dispute fail to agree on the appointment of the arbitrator, the then President of the Council of the Law Society of Namibia or his/her nominee, will be appointed as arbitrator.
- 18.8 The decision of the arbitrator will be final and binding on the Parties to the dispute and may be made an order of any court whose jurisdiction the Parties are subject to at the instance of any of the Parties to the dispute.
- 18.9 The arbitrator will be entitled to make an award, including an award for specific performance, an interdict, damages or a penalty or otherwise as he in his sole discretion
