OFFICE OF THE CHIEF EXECUTIVE OFFICER

29 November 2023

Mr. Timoteus Mufeti
Environmental Commissioner
Ministry of Environment, Forestry and Tourism
Private Bag 13306
WINDHOEK
Republic of Namibia

Dear Mr Mufeti

CONSENT TO PREPARE AND SUBMIT AN ENVIRONMENTAL IMPACT ASSESSMENT FOR THE CLOSURE OF ERF 326, KAISOSI AS A “PUBLIC OPEN SPACE” AND SUBSEQUENT REZONING TO “RESIDENTIAL”.

The subject above refers.

This letter serves as confirmation that the National Housing Enterprise, the owner of Erf 326, Kaisosi has constructed and allocated the house situated on the property to a low-cost beneficiary.

In order for the transfer of the property to be finalized, a statutory town planning and environmental management procedure for the closure of Erf 326, Kaisosi as a “Public Open Space” and subsequent rezoning to “Residential” has to be completed. Thus, we have appointed Nghivelwa Planning Consultants, a town and regional planning and environmental management consulting firm to carry out the exercise.

With above as background, the National Housing Enterprise as the owner of the subject erf hereby grants consent to Nghivelwa Planning Consultants to prepare and submit an Environmental Impact Assessment for the permanent closure of Erf 326, Kaisosi as a “Public Open Space” and subsequent rezoning to “Residential” to the Environmental Commissioner for Approval.

I am confident the above is in order and should you have any further questions, please do not hesitate to contact our office, at **061 292 7301 / 7304**.

Sincerely yours

P.P. 

Gisbertus Mukulu
Chief Executive Officer
