FOR ATTENTION: MS S ANGULA

**APPLICATION FOR ENVIRONMENTAL CLEARANCE THE CONTINUATION OF THE
MANGETTI DUNE WATER SUPPLY SCHEME AND MAINTENANCE TO INFRASTRUCTURE,
OTJOZONDJUPA REGION**

DEAR MS ANGULA

NamWater applied for the EC for the above mentioned scheme and was awarded a clearance in 2018. NamWater is currently in the process of renewing the said clearance certificate and as part of the documents to upload/attach NamWater is requested to upload a consent letter from the National Heritage Council (NHC) in relation to archeological heritage landscape protection.

The Mangetti Dune Scheme is an existing NamWater Water Supply Scheme and there is no new infrastructure to be developed. There is therefore no need to get consent from the NHC.

If you need more information, please contact Miss J Kamburona at cell number 081 144 1528 or via e-mail (Kamburonaj@namwater.com.na).

Yours sincerely

J Kamburona
Environmental Scientist In-training
