Attention: Mr. Jan Everson

Dear Sir,

UPGRADING OF THE OIL INDUSTRY FIREFIGHTING PUMP LINE AND PUMP STATION

The following drawing for the proposed upgrading of the oil industry firefighting line and pump station, and submitted for our approval, refers:

- Drawing No. 5490/704/001 (Rev. A) – Existing Site Layout

We hereby confirm that we have no objection to the proposed upgrading. and request that you provide our office with as-built drawings upon completion of works.

It however remains your responsibility to protect all existing services and repair any damages thereto resulting from works related to the upgrading of the pump line and pump station.

Where cutting through existing roads or sidewalks is required, kindly contact our Mr. Eric Shinyemba on +264 81 435 3694 or eshinyemba@walvisbaycc.org.na to get the necessary approval.

Please provide our office with as-built drawings upon completion of works.

Your faithfully,

Frans Nghifikua
Engineer
DEPARTMENT OF ROADS AND BUILDING CONTROL
