NOTICE OF AN ENVIRONMENTAL ASSESSMENT AND PUBLIC PARTICIPATION PROCESS FOR EXPLORATION ACTIVITIES ON EPL 8127 OTJAZONDUPA REGION, NAMIBIA

Environmental Compliance Consultancy CC (ECC) hereby gives notice to the public that an application for an environmental clearance certificate in terms of the Environmental Management Act, No. 7 of 2007 will be made as per the following:

Applicant: Votorantim Metals Namibia [Pty] Ltd
Environmental Assessment Practitioner (EAP): Environmental Compliance Consultancy Otjazondupa Region, Namibia

Location: Project: Exploration activities on EPL 8127 for base and rare metals, industrial minerals, and precious metals in the Otjazondupa Region, Namibia.

Proposed activities: The proponent, Votorantim Metals Namibia [Pty] Ltd, propose to conduct exploration on EPL 8127 for base and rare metals, industrial minerals, and precious metals in the Otjazondupa Region, Namibia. This may include geophysical surveys (soil and rock sampling), ground and airborne geophysical surveys (for example electromagnetic surveys). Exploration drilling and drilling may occur at a later stage should initial test results appear viable.

Purpose of the review and registration period: The purpose of the review and registration period is to evaluate the proposed project and to afford registered Interested and Affected Parties (IAAPs) an opportunity to comment on the background information Document (BID) to ensure that all issues, and concerns are brought forward, captured and considered further in the assessment.

The registration period is effective from the 21 July to 04 August 2021. IAAPs and stakeholders are required to register for the project at: www.easenvironmental.com/projects/

The team at ECC will then maintain contact with all registered IAAPs to keep them informed and engaged as the assessment process continues. ECC will also provide registered IAAPs relevant documents to review during the assessment process.
