Dear Sir

RE: LETTER OF NOTIFICATION FOR THE GRANTING OF THE EXCLUSIVE PROSPECTING LICENSE ("EPL") 6878 APPLICATION IN THE OPUWO DISTRICT, KUNENE REGION.

Epangelo mining is hereby giving notice to the **Vita Royal House Traditional Authority**, that it intends to commence exploration on EPL 6878 situated in the communal area west of Opuwo district in the Kunene region as per attached map.

Epangelo Mining Company (Proprietary) Limited ("Epangelo") is a private company incorporated in the Republic of Namibia under the Companies Act (Act 61 of 1973). The company was operationalized by Cabinet Resolution 20th/27.10.09/001 and the Government of the Republic of Namibia is the sole shareholder.

This letter is a notification in terms of the Regulations of the communal land Act, Section 30(1) as gazetted 1 March 2003 (Gazette No. 2926). The Ministry of Mines and Energy has granted Epangelo an intention to approve EPL 6878, we would like to seek the recommendation of the Traditional Authority in support of the exploration activities to be carried out by Epangelo. It is our firm belief that this venture will be in the best interests of the development of mineral resources of Namibia.

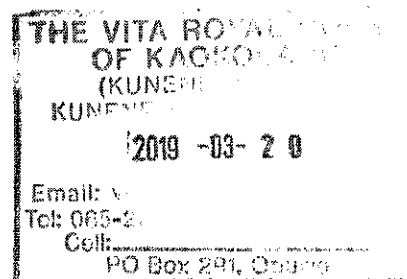

We hereby request your recommendations in Annexure 1 below on the mineral right applied for by Epangelo. Should the Traditional Authority wish to recommend otherwise please provide your recommendations in Annexure 2.

We thank you in advance for considering this letter.

Yours Faithfully,

Mr. Eliphas Hawala

ANNEXURE 1

RECOMMENDATION BY THE TRADITIONAL AUTHORITY.

The VITA Royal House Traditional Authority has no objection for Epangelo to carry out exploration activities and hereby recommends as follows:

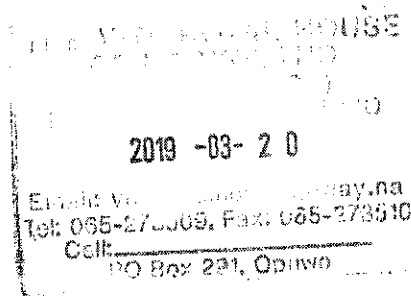

1. Epangelo should hold general meetings involving the Governor of Kunene Region , the Regional Councillors for the particular constituencies and Senior Headmen as well, as Village Headman, in order to inform them of the intended exploration activities.
2. Epangelo should prioritize employment of local inhabitants in order to alleviate unemployment.
3. Epangelo should use its reasonable endeavours to ensure local procurement and participation in exploration activities.
4. Local inhabitants should be trained to take part in future mining activities, to ensure local empowerment and enterprise development.
5. Epangelo personnel conducting exploration activities in the field should respect traditional norms and customs avoid damaging any heritage and/or holly sites, they should be accompanied and guided by locals at all times when working near these sites.
6. All activities should be conducted with due regards to environmental and social sustainability.
