Ms Victoria Shikwaya
GCS Water Environmental Engineering Namibia (Pty) Ltd.
P.O.Box 81808
Windhoek

Dear Ms Shikwaya

Subject: Environmental Impact Assessment for the Proposed Construction and Operation of Telecommunication Towers in Omusati and Oshana Region

This has reference to your submission made on 12 December 2023, on behalf of PowerCom (Pty) Ltd for the proposed construction and operation of the Telecommunication Towers in Oshikuku, extension 7 (Omusati Region, GCS Project Number: 22-1081) and Ondangwa, Omashaka, extension 39 (Oshana Region, GCS Project Number: 22-1081).

The submission has been reviewed and this authority observed the following that require your immediate attention:

- i. A proper site description must be given and it must indicate potentially exposed or critical groups. The description must be accompanied by a site specific map.
- ii. The GPS coordinates for the 2 site locations are the same, which must be rectified.
- iii. Feedback/responses from the interested and affected parties during meetings must be provided.

I hope the above is in good order.

Yours Sincerely,

Axel Tibinyane
Director

Mission

To provide for the adequate protection of the environment and of people in current future generations against the harmful effects of radiation
