In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this EIA.

An Environmental Assessment will be undertaken to determine the potential impact of the development on the environment and to determine all environmental, safety, health, social, economic impacts associated with the proposed development activities. A background information document is attached detailing the activity and the intended environmental assessment process.

In line with Namibia's Environmental Management Act (No. 7 of 2007) and EIA regulations (GN 30 of 6 February 2012), all I&APs are hereby invited to register and submit their comments, concerns or questions in writing via Email: envirofficient@gmail.com; Tel: +264813077370 on or before **28 July 2023**.
