OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Khan Mine (Pty) Ltd
P.O. Box 87152
Windhoek
Namibia

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE MINING LICENCE 86A-G SITUATED IN SWAKOPMUND AND ARANDIS DISTRICT, ERONGO REGION

The Environmental Management Plan submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. Henceforth, I issue the environmental clearance certificate with the following condition; that the bi-annual reports on the implementation of the Environmental Management Plan must be submitted to this office.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Khan Mine (Pty) Ltd.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitifa

ENVIRONMENTAL COMMISSIONER
