OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Augustinus Kazarako
P.O. Box 3095
Walvis Bay
Namibia

Dear Sir,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED MINING OF DIMENSION STONES ON MINING CLAIMS NO. 68714 - 68718, AT OTJOHORONGO RESERVE, OMARURU DISTRICT, ERONGO REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as they made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following conditions: (a) all relevant applicable permits must be obtained; and (b) all land owners must be notified at all times on the operations of the project.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Mr. Augustinus Kazarako and his consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
