OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr J.J. de Jager and Mrs C.Y. de Jager
Portion 1 of the Farm Nordland No.510
P.O. Box 466
Windhoek
Namibia

Dear Sir or Madam,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR PROPOSED DEVELOPMENT OF THE NORDLAND NATURE ESTATE AND ITS ASSOCIATED INFRASTRUCTURE ON A PORTION (PORTION A) OF PORTION 1 OF THE FARM NORDLAND NO 510, OTAVI DISTRICT, OTJOZONDJUPA REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations of environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following conditions: (a) any key biodiversity habitats must be protected; and (b) all relevant permitting authority involved must be properly consulted and written consent obtained from them.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Mr J.J. de Jager and Mrs C.Y. de Jager and their consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
