

LOVISA NANGULA AMWELE

ENVIRONMENT, HEALTH, SAFETY,
ENERGY, ESG (Cand.Sci.Nat)

ABOUT

I am a skillful environmentalist with an aggregate experience of over five (5) years in the field of environmental management and related sphere. I have a vast knowledge and understanding of various environmental management, health and safety policies and legislations. I have been hard at work establishing my personal reputation as a mature critical problem solver and effective communicator driven by a strong set of ethical principles founded in social and environmental awareness. My objectives are to secure a challenging position, where I can utilize my abilities when granted the opportunity.
