### OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Johann Klein  
Managing Director  
Salt Company (Pty) Ltd  
Private Bag 42  
Swakopmund

Dear Sir

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE ENVIRONMENTAL SCOPING AND ENVIRONMENTAL MANAGEMENT PLAN FOR THE MINING LICENSE 11, ERONGO REGION**

The Environmental Scoping and Environmental Management Plan submitted are sufficient as it made an adequate provision of the environmental management during your project activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with Salty Company (Pty) Ltd and his/ her consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

  
Teofilus Nghitila
