OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Chief Regional Officer
Ohangwena Regional Council
Private Bag 88011
Enhana

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED ESTABLISHMENTS OF ONGHA TOWNLANDS, OHANGWENA REGION

Environmental Impact Assessment (EIA) and Environmental Management Plan (EMP) submitted are sufficient as these have made an adequate provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue the clearance with the conditions that a separate EIA and EMP for Oxidation Pond and Waste Disposal Site should be submitted.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the Ohangwena Regional Council and his/her consultant.

This environmental clearance certificate is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

2018-05-22

Teofilus Nghitila
