Mr. Josef Hungamo  
Namibia Investment Contacts cc  
P. O. Box 1086  
Rundu

Dear Sir

**SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR PROPOSED CONSTRUCTION OF HOSPITALITY FACILITY ON ERVEN 1 AND 2 OF CONSOLIDATED ERF "X" RUNDU EXTENSION 3, KAVANGO EAST REGION**

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all applicable and required permits are obtained and mitigation measures are applied particularly with respect to management of ecological impacts.

On the basis of the above, this letter serves as an environmental clearance certificate for the proposed construction of hospitality facility on erven 1 and 2 on consolidated Erf "X" Rundu Extension 3, Rundu. However, this clearance certificate does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with the Namibia Investment Contacts cc and its consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila  
ENVIRONMENTAL COMMISSIONER
