Dear Sir

SUBJECT: RECOGNITION AND SUPPORT FOR THE UPGRADING OF MAZIZA SUPERMARKET AND FILLING STATION

This communication serves to testify that Maziza Supermarket and Filling Station, P.O. Box 1029 is operating in the Corridor 13 Settlement and is well known to me. I further support the upgrade or improvements they are intending to bring to their business.

I thus recommend that they be granted the necessary assistance in this regard and to contact me for any further enquiries.

Regards

Hon. P.K. Kazongominja
