Dear Sir /Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE ESTABLISHMENT AND OPERATION OF THE PROPOSED FUEL RETAIL FACILITY, LIGHT INDUSTRIAL WAREHOUSES, RETAIL OUTLETS AND A SUPERMARKET, ONAANDA VILLAGE, OMUSATI REGION

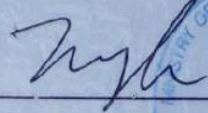

The Environmental Impact Assessment report and Environmental Management Plan submitted are sufficient as these make provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Dayola Investment Cc and its consultants.

This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

Dear Mr. Mufeti

SUBJECT: RENEWAL OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE FOR FUEL FILING STATION, INDUSTRIAL WAREHOUSE, RETAIL SHOPS OUTLET AND A SUPERMAKET AT ONAANDA.

Since Dayola Investment CC (Reg No: CC/2018/01340) was first the Environmental Clearance Certificate (ECC) on the 14th May 2018, the project never took off the ground due to two main reasons.

1. The initial investors on the project withdrew on the eleventh hour and construction never commenced.
2. Following the announcement by the Ministry of Mines and Energy (MME) on the Moratorium of Fuel Retail License application in year 2020, the process was equally halted.

Subsequent to the securing of new investors and the lifting of the Moratorium, the proponent thus intends to renew the ECC as a prerequisite for the application of the Fuel Retail License (see attached letter from MME).

Against this background, we seek from your good office the renewal of the above-mentioned ECC.

Yours faithfully

Gideon Kalumbu
