OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Dr Vaino P. Shivute
Chief Executive Officer
Namibia Water Corporation Ltd
Private Bag 13389
Windhoek

Dear Dr Shivute

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE CONTINUATION OF WATER SUPPLY TO OSHIVELO SETTLEMENT AND THE MAINTENANCE OF INFRASTRUCTURE, OSHIKOTO REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all applicable and required permits are obtained and mitigations measures are applied particularly with respect to management of ecological impacts.

On the basis of the above, this letter serves as an environmental clearance for the continuation of water supply operation and maintenance activities of the Oshivelo Water Supply Scheme. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with Namibia Water Corporation (NamWater) and its consultants.

This environmental clearance is valid for a period of 3 (three) years, effective from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
