

**APPENDIX C: PROOF OF CONSULTATION (MINUTES,
NEWSPAPER ADVERTS)**

NOTICE

Swakopmund Craft Distillery t/a Stillhouse Atlantic herewith intends to apply to the Swakopmund Municipal Council for "Special Consent", to operate a craft distillery (With a maximum capacity of 300 litres per month) on Erf 322 (30 Tobias Hainyeko Street), Swakopmund Proper as provided for in terms of Clause 6 of the Swakopmund Zoning Scheme. Details of which are obtainable from the General Manager, Engineering & Planning Services.

Any person having any objection against such application should lodge such objections in writing and within 14 days of the last publication to the applicant and the Swakopmund Municipality, during normal business hours.

Closing date for objections or comments is: **15 March 2024**.

Contact Person: S. le Roux (distillery owner), Tel +264 (0)81 252 8876, E-mail: info@stillhouseatlantic.com or

Mr. J. Hetta (Manager: Town Planning) Tel +264 (64)4104403.

Environmental Impact Assessment (EIA) for the proposed establishment of 90 Agricultural Plots and associated infrastructure

Make a timely green (or Mineral and Marine Parks) (MAMP), first an application for an Environmental Clearance Certificate will be submitted to the Environmental Commissioner for the following activities:

Proposed Activities: The establishment of 90 Agricultural Plots and associated infrastructure

Project location: Reserve of Erf 5 of Swakopmund Township No.4, Swakopmund, Erongo Region

Proponent: Municipality of Swakopmund

Description: The Municipality of Swakopmund has demarcated an area within its territory for urban agricultural activities, primarily horticulture production and poultry farming. The demarcated area will be divided into 90 plots and areas intended to be used to liberate local farmers. The proposed activities will trigger certain activities listed under Schedule 1 of the Environmental Management Act 17 of 2017 as activities that cannot be undertaken without an EIA being a condition.

All I&APs are hereby invited to register, request the Background Information Document (BID), attend the public meeting, and submit their comments to the Environmental Commissioner on or before 14 March 2024.

Green Gain For more information contact: +264 81 542 2921

AGL

Career Opportunity: Chief Operation Officer - Namibia

Africa Global Logistics Namibia (Proprietary) Limited invites applications for the position of Chief Operations Officer. Based in Walvis Bay, Namibia, this role offers a distinct opportunity for a seasoned Operations Manager to lead and enhance operational excellence in national air, sea, road, and warehouse operations. We seek a highly skilled and experienced professional to join our dynamic team and contribute to the continued success of our prominent position in the logistics sector.

Key Responsibilities:

- Assume responsibility for the full financial scope of the business.
- Possess in-depth knowledge of logistics and supply chain operations.
- Demonstrate understanding of local and international regulations governing transportation and logistics in Africa.
- Ensure rigorous compliance with customs, trade, and safety regulations.
- Prove adept at identifying and mitigating operational risks in the transportation sector, including security, political instability, and infrastructure challenges.
- Develop and execute strategic plans to elevate operational efficiency and achieve organizational goals.
- Align operational strategies with overall business objectives.
- Leverage technology to enhance operational processes and customer satisfaction.
- Collaborate effectively with departments such as sales, finance, and customer service to ensure a seamless end-to-end supply chain.
- Demonstrate commitment to continuous improvement and implementation of best practices.
- Adaptability to changing market conditions, technological advancements, and regulatory environments.
- Lead business development initiatives.
- Oversee and optimize air, sea, road, and warehouse operations.
- Effectively manage service delivery teams, resources, and transport.
- Handle freight forwarding, commercial, and customs-related matters.

Qualifications and Experience:

- Minimum O'Level Education or equivalent.
- Minimum 15 years of experience, with at least 10 years in the Multinational Freight Forwarding Industry.
- Minimum 5 years in a management role, with project experience in Sub-Saharan Africa.
- Strong financial management skills to optimize budgets, control costs, and improve profitability.
- Experience in financial forecasting and analysis.
- Strong interpersonal skills to build and maintain relationships with internal and external stakeholders.
- Breakthrough experience in a Profit & Loss managerial role.
- In-depth knowledge of route analysis, business development, scheduling, and planning in Sub-Saharan Africa.
- International working experience required.
- Strong knowledge and related qualifications in Import/Export and Incoterms.
- Fluency in English.
- Proficiency in MS Software systems used in Freight Forwarding.
- Proficiency in Pegasus and related finance applications.

How to Apply: Interested candidates meeting the requirements are invited to submit their CV, a cover letter showcasing in-depth experience, and certified qualifications to: recruitment@aglobalna.com with the reference code 77 Res 198 in the subject line no later than 23 February 2024.

Note: Only shortlisted candidates meeting all requirements will be contacted for further assessment. Africa Global Logistics Namibia is an equal opportunity employer committed to diversity and inclusion in the workplace in compliance with the Affirmative Action (Employment) Act, 1998.
