WE ARE HIRING

Spescare Swakopmund Sub-Acute hospital opened in August 2017. Our modern hospital is a great endorsement of how we aim to improve the lives of our patients and aid them to recover with the support of professional nursing staff, a multidisciplinary team of specialists and the latest rehabilitation equipment. Spescare is an Equal Opportunity Employer in Namibia and invites suitable qualified candidates to apply for our **Reception & Admission Clerk** role to

**PUBLIC NOTICE
ENVIRONMENTAL IMPACT ASSESSMENT**

NCEL Geotechnical Consultants Cc hereby give notice to all potentially interested and Affected Parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 of 6 February 2012) for the following:

Project Details:

The Municipality of Swakopmund (the proponent) plans to perform a thorough geotechnical assessment of its current sand mining borrow pits located 11,2 kilometres from the Swakopmund Town Centre on the left side of the B1 national highway opposite Nonidas.

This assessment aims to determine the remaining material reserves, formulate recommendations for effective management, and carry out an environmental impact assessment to address all associated environmental issues. Additionally, the municipality seeks to obtain an Environmental Clearance (ECC) for the entire sand mining borrow pits site measuring 55 97 hectares.

NCEL Geotechnical Consultants Cc has been appointed as the Environmental Assessment Practitioner to undertake the EIA and, all interested and Affected Parties (I&APs) are requested to attend a Stakeholder's meeting to be held at the Tamangika Community Hall, Swakopmund, Date: Friday, 15 March 2024 at 09h00 in the morning.

The Proponent: Municipality of Swakopmund
Environmental Assessment Practitioner (EAP):
 NCEL Geotechnical Consultants Cc

Registration of I&AP's and Submission of Comments
 In line with Namibia's Environmental Management Act (No. 7 of 2007) and EIA regulations (GN 30 of 6 February 2012), all I&APs are hereby invited to register, request a BID document, submit their comments, concerns, or questions before 05 April 2024 in writing to:

Mail: P.O. Box 2112, Swakopmund, Post Code 13001, Namibia
 Email: theo.uvanga@gmail.com and info@nccf.com.na
