ENVIRO MANAGEMENT CONSULTANTS

P O Box 11574
Windhoek
Namibia

Attention: Mr. R. Du Toit

Dear Sir,

CONTRACT NO. RA/DC-CR/12-2013: UPGRADING TO BITUMEN STANDARD OF ROAD MR 91, GOBABIS - AMINUIS - ARANOS; OMAHEKE AND HARDAP REGIONS: SECTION B.

APPOINTMENT OF ENVIRONMENTALIST FOR EXTENDED CONSULTANCY SERVICES

Tulipamwe Consulting Engineers has been appointed by the Roads Authority for the extended consultancy services for the above-mentioned contract. The extended consultancy services comprise the detail design and supervision for the upgrading to low volume sealed roads standards of the roads listed below:

- a) DR3816: MR91 – Corridor 13 (*Length = 53km*)
- b) DR3824: MR91 – Hugus Village (*Length = 14.8km*)
- c) DR3815 & DR1004: MR91 – Toasis 1 Village (*Length = 28.2km*)

We hereby request that you submit a quotation for the Environmental Impact Assessment and EMP, as soon as possible.

The methodology and costing must be done strictly in accordance with the Environmental Manual of the Roads Authority and the Environmental Management Act No. 7 of 2007.

We propose that a meeting be scheduled, as soon as possible, to discuss all required information from your aspect of the project as well as completion dates.

Should you require any additional information, please do not hesitate to contact us.

Yours sincerely,

Mr. L.G Kriel
