Ref: Confirmation of screening notice received (through email) in terms of assessment procedures (Section 35 (1)(a)(b) of the Environmental Management Act, No 7 of 2007)

Our subject refers above this application initially in 2021 Application number 003516 was one the affected applications wen there was fault or error that resulted in a loss of online uploaded submission. However we resubmitted it with a new application number 221109000283.

But now we can't find a response on Confirmation of screening notice received (through email) from MET to complete the uploads. Hence this letter to address such proof.
