As a designated Senior Traditional Councilor under Vita Royal House, would like to confirm that Mr/Ms/Mrs *Twazindlehi T. Zaku* ID NO: *7406060016* was granted permission to build his office for buying mining stones within our conservancy by the community in the meeting which was held on the *28/10/2023* at *Otjokavare* village. Indeed, I am fully aware as Senior Traditional councilor, including my local community members of *Otjokavare* village under my leadership, that *Twazindlehi T. Zaku* was granted a portion of land 3km south of Otjokavare village at Grinakar crushing stones camp.

Please do not shillyshally (hesitate) to assist him in approving his application for customary land right.

I am looking forward for your cooperation in this regard.

Yours Faithfully

*Ben K. Muzuma*
