RE: LETTER OF CONSENT: applying for a leasehold.

The management of Ehi-Rovipuka conservancy in Kunene Region, hereby confirming request by Mr. **Tuazundehi Zakuhi ID No: 74060600016**, Conservancy members was granted permission of to a portion of land 3KM south of Otjokavare village within the conservancy area ,were he will be buying mining stones within our conservancy. The conservancy management hereby provide approval for the proposed Leasehold within the conservancy jurisdictions. It is believe that the buying mining stone will bring about the much-needed income, development, create employment and help fight poverty in the conservancy.

However ,it is highly recommended that the proposed mining operation be conduct in an environment friendly and social acceptance manner to avoid or lessened any possible negative environment impacts both to the local biodiversity and communities. The mentioned name will be giving a task to take care of Anti-Poaching activities.

Mr. Tuazundehi Zakuhi is going to operate according to memorandum of agreement from Ehi-Rovipuka Conservancy upon the starting of the mining exploration.
