

# Budget friendly valentines ideas

How to spoil your loved one this Valentine's Day on a tight budget

Instead of going out to the cinema, why not have a movie night inside the comfort of your living room? There are some simple ways in which you can make this more special than a normal Saturday night in front of the box. By laying out a nice fluffy blanket, cushions, and some candles, you can create a simple, romantic scene. Serve up some popcorn in a big bowl, chocolate truffles, nuts, or some crisps to emulate the cinema experience at home.

If you're feeling super crafty, you could even make your own tickets, with some card. Which would make a nice keepsake for your evening. Why not watch an old classic movie, there is something about an old black and white film, that feels more romantic.

### The Extravagance

The Extravagance Hamper is the hamper to buy if you're looking to spoil your loved one this Valentine's. The hamper is packed full with sweet and savoury snacks (perfect for movie nights). Plus 2 bottles of wine, and elderflower presse. There are also some handy items for the morning, such as coffee and jam.

### ROMANTIC BREAKFAST IN BED

Usually, we think of celebrating Valentine's Day with an expensive dinner, but why not treat yourself and your loved one to breakfast in bed? Is there anything nicer than a relaxing morning lie-in and then your favourite breakfast brought up to you? Make it extra special for Valentine's by adding a little bud vase and flower to the tray, and perhaps serve breakfast with a favourite book, magazine, or newspaper. If you wanted to go all out, add a heart-shaped helium balloon, for maximum romance!

### The Breakfast Tray

The ultimate gift for anyone that deserves breakfast in bed. Our breakfast-in-bed tray is literally filled with all the breakfast-in-bed essentials you'd need. All butter croissants, jam, marmalade, smoked salmon, coffee, tea, orange juice, and of course a small bottle of prosecco. All these luxury breakfast items are packaged together on a wooden tray.

### INDOOR VALENTINES PICNIC

Create a space in the living room, and set out a picnic area, just as you would if you were outside on a summer's day. Throw cosy blankets and cushions down, light candles, or add fairy lights to create a romantic atmosphere. Use a basket to hold all your snacks and plates, so you don't have to keep venturing off to the kitchen. Chopping boards can be useful to create areas for glasses to stand up on or to keep bowls stable. You could even serve up a 3-course meal, or just some light bites, tapas style. Play some of your favourite music, and actually enjoy each other's time rather than the distraction of a screen.

### Fitted Picnic Basket

Quintessentially English, this four-person fitted basket has everything required for a luxury picnic. But don't

think it has to be used for outside only! It is the perfect basket to help you recreate an outdoor picnic inside. Safely stored away in this classic wicker basket, are 4 plates, glasses, knives, and forks.

### AT-HOME SPA DAY

Valentine's doesn't mean you have to wait for someone to treat you, you can always treat yourself. Why not show yourself some self-care and have a pamper evening? You could create a spa at home. Fill up a bubbly bath or perhaps a large bowl of water for a foot spa. Light candles and play some of

your favourite music. Once refreshed and in some cosy PJs, recreate some spa treatments, paint your nails, and apply a face mask. You could stream your favourite box set, read a book or perhaps write a letter to a friend.

### Pamper Hamper

This gift is the perfect present for someone to treat themselves with, containing everything they would need for an evening of relaxation. Packaged in a useful gold drawstring bag, is an individual bottle of bubbly, chocolate truffles, bath soak, hand wash and

a relaxing Lavender, Clary Sage and Chamomile candle.

### CHEESE AND WINE NIGHT

Is there a better combination than Cheese and Wine? Why not set up a romantic wine and cheese board, add some crackers, grapes, pears, and you can create a lovely graze board to help you while away your evening. To find out how to put together an artistic charcuterie board, you can read our blog article here for top tips.

### Wine & Cheese Slate

Our Wine & Cheese Slate is the

perfect gift for someone that loves the decadence of a fine red wine and delicious cheese. Packed with 3 different cheeses, Camembert, Mature Cheddar and Blue Stilton, Poppy Seed Snap Crackers, Caramelised Red Onion Chutney with Balsamic, a bottle of Shiraz Cabernet De Bortoli Willowglen and a black slate to dress it all on.

### CELEBRATE GALENTINE'S

The 13th of February is fast becoming known as Galentines Day, a day when you can celebrate your best gal pal, and your friendship.

**NOTICE**

Take notice that HARMONIC TOWN PLANNING CONSULTANTS CC, Town, and Regional Planners, on behalf of the owners of the respective erf, intend to apply to the City of Windhoek and the Urban and Regional Planning Board for the:

- Rezoning of Erf No. 680 Pionierspark from "Residential" with a density of 1:900 to "Institutional"; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf No. 680 is located on Potgieter Street in Pionierspark. The Erf measures approximately 1 248 m<sup>2</sup> in extent and is zoned "Residential" with a density of 1:900 according to the Windhoek Zoning Scheme. The proposed zoning to "Institutional" will enable the owners to accommodate and formalise the permanency of the current institutional activities. The proposed zoning will suit the activities best and will allow further growth of the Micky and Minnie's Playgroup daycare. The proposed development will also allow the owners to optimise the use of the erf to its full potential.

Sufficient parking for the development will be provided in accordance with the requirements of the Windhoek Zoning Scheme.

Further, take notice that the plan of the Erf lies for inspection on the Town Planning Notice Board at the City of Windhoek and at Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the City of Windhoek and with the Applicant in writing within 14 days of the last publication of this notice (final date for objections is Thursday, 22 February 2024).

**NOTICE**

Take notice that HARMONIC TOWN PLANNING CONSULTANTS CC, TOWN AND REGIONAL PLANNERS, on behalf of the owner of the respective erf, intends to apply to the Rehoboth Town Council and the Urban Regional Planning Board for:

- Consent to operate a rest camp on REMAINDER OF ERF NO. REHOBOTH H 5

The Remainder of Erf Rehoboth H 5, measures 13439 m<sup>2</sup> in extent and is zoned "Industrial". The proposed application for consent to operate a rest camp on the Remainder of Erf No. Rehoboth H 5 will enable the erf owner to provide an important service for those traveling to and from Rehoboth. Parking to the development will be provided in accordance with the requirements of the Rehoboth Zoning Scheme.

Further take notice that the plan of the Erf lies for inspection on the town planning notice board at the Rehoboth Town Council and at Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Rehoboth Town Council and with the Applicant in writing within 14 days of the last publication of this notice (final date for objections is Monday, 22 February 2024).

Ref. MATE365

# NOTICE

Take notice that **HARMONIC TOWN PLANNING CONSULTANTS CC**, Town and Regional Planners, on behalf of the owners of the respective erf, intend to apply to the **City of Windhoek** and the **Urban and Regional Planning Board** for the:

- Rezoning of Erf No. 680 Pionierspark from "Residential" with a density of 1:900 to "Institutional"; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf No. 680 is located on Potgieleer Street in Pionierspark. The Erf measures approximately ±1 248 m<sup>2</sup> in extent and is zoned "Residential" with a density of 1:900 according to the Windhoek Zoning Scheme. The proposed zoning to "Institutional" will enable the owners to accommodate and formalise the permanency of the current institutional activities. The proposed zoning will suit the activities best and will allow further growth of the Micky and Minnie's Playgroup daycare. The proposed development will also allow the owners to optimise the use of the erf to its full potential.

Sufficient parking for the development will be provided in accordance with the requirements of the Windhoek Zoning Scheme.

Further, take notice that the plan of the Erf lies for inspection on the Town Planning Notice Board at the **City of Windhoek** and at **Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West.**

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the **City of Windhoek** and with the Applicant in writing within 14 days of the last publication of this notice (final date for objections is **Thursday, 22 February 2024**).

**NOTICE OF ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT AND PUBLIC PARTICIPATION PROCESS FOR  
THE OLUSHANDJA WATER WORKS UPGRADE AND EXTENSION PROJECT**

Outrun Consultants cc hereby gives notice to all potential Interested and Affected Parties (I&APs), that an application for Environmental Clearance certificate will be made to the Environmental Commissioner in terms of the Environmental Management Act (No. 7 of 2007) as follows:

**Proponent:** Namwater

**Financier:** Government of the Republic of Namibia

**Environmental Assessment Practitioner:** Outrun Consultants cc

**Project Description:** NamWater intends to upgrade the Olushandja water treatment works within the Central Northern Water Supply Area (CNWSA). The Olushandja Water Works (OLWW) is located along the Calueque to Ohakwati canal and treats water from the Calueque Dam in Angola to supply potable water to the following Settlements in Northern Namibia; Rastana, Etunda, Ovesi, and Tsandi.

The OLWW consists of two (2) treatment plants, a batch plant constructed in the 1970s and a Slow Sand Filtration plant commissioned in 2000. The products water from the Batch plant occasionally has turbidity above 1 NTU. The Slow Sand Filtration plant was built for experimental purposes to determine whether the roughing filters and slow filtration process will produce the best treatment option to handle raw water in the Northern Area and eventually provide good quality water at minimal cost. At the moment the Water Resources Management Act 11 of 2013 (WRMA, 2013), stipulates the acceptable limit for drinking water as 0.5 NTU. The technology used at OLWW is outdated and NamWater's concern is that OLWW is not able to produce product water quality of 0.5 NTU as required by the WRMA, 2013's Guidelines and Standards for Potable Drinking Water. This has necessitated the upgrade and expansion of the OLWW. The upgrade and development of a water infrastructure is a listed activity that require Environmental Clearance by the Ministry of Environment, Forestry & Tourism (MEFT). In accordance to the requirements of the Environmental Management Act (No. 7 of 2007) and the Environmental Assessment Regulations No. 12 of 2012, NamWater has appointed Outrun Consultants cc as an Independent Environmental Assessment Practitioner to undertake a detailed Environmental and Social Impact Assessment (ESIA) and to obtain an Environmental Clearance Certificate (ECC) for the envisaged development project.

**Project Location:** The Project is located to the North West of Ohakwati in Oshanaati Region (Map is provided in the BID).

**Public participation process:** Interested and affected parties are hereby notified that a public participation meeting will be held at Olushandja Village as detailed below:

**Date:** 27 January 2024 **Time:** 10 hrs00 **Venue:** Olushandja Village

**The participation and commenting period is effective until the 7<sup>th</sup> of February 2024**

To register or request for documents submit your details in writing to the Environmental Consultant using the details provided below:

**Outrun Consultants CC: Josiah T. Mukuti Phone: +264 812 683 578 Email: outruninfo@gmail.com**

**NOTICE OF ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT AND PUBLIC PARTICIPATION PROCESS: THE PROPOSED COPPER ORE CRUSHER AND SEPARATING PLANT IN EHI-ROVIPUKA CONSERVANCY Kunene, region- NAMIBIA**

EnviroPlan Consulting cc hereby gives notice to all potential Interested and Affected Parties (I&APs), that an application for Environmental Clearance certificate will be made to the Environmental Commissioner in terms of the Environmental Management Act (No. 7 of 2007) as follows;

Proponent: New Horizon (PVT) ltd  
Environmental Assessment Practitioner: EnviroPlan Consulting cc  
Project Description: New Horizon (PVT) ltd is proposing to set up a copper ore crusher and separating plant in Kowares, Kowares in Ehi-Rovipuka Conservancy which was proclaimed in 2001 and covers 1980 square kilometres of Kunene Region- Namibia. The conservancy has an approximate number of 1346 inhabitants who practise horticulture and mining. Mining is becoming one of the major economic drivers in the region with most of them being on small scale miners.

Project Location: The proposed project is in Kowares -Kunene region. Kunene's capital Opuwo. (Opuwo) is approximately 122 km away from Kowares. The distance from Kowares to Namibia's capital Windhoek is approximately 482 km.

Public participation process: Interested and affected parties are hereby notified that public participation meeting will be held as follows:

Date and Time	Activity	Venue Village
23.02.24 10:30-11:30	Consultive Meeting	Ehi-Rovipuka Conservancy Office

The participation and commenting period is effective until 17<sup>th</sup> March 2024.

**LIFESTYLE**

From Harry Potter to Taylor Swift

FROM PAGE 14

fantasy worlds respectively. BookTok fans aren't just market followers; they are also market-makers. Romantasy (a portmanteau of "romance" and "fantasy") authors like Sarah J. Maas and Rebecca Yarros have outsourced their merchandising to fans, taking a cut of the royalties. In my research I've found these authors have leveraged the popularity of unofficial merchandise on social media platforms to increase their official merchandise catalogues and revenue. Fan cultures have a range of influences on everyday life, from swapping friendship bracelets at Taylor Swift concerts to attending romantasy-inspired balls. Fandom might be shared online,

but its effects are felt in person. The influence of millennial women in fandom Fans who were girls in the era of Harry Potter, The Hunger Games and Twilight are now the women who have powered the success of Barbie and the Eras Tour. The shift in fandom has been led by adult women who have been honing their fan skills since girlhood. They, in turn, stand on the shoulders of the early female fans who read romance fiction back when it was even more stigmatised and wrote the earliest fan-fiction. Now they buy their daughters tickets to Taylor Swift and cheer them on as their own girls take on new fan roles.

**CALL FOR PUBLIC PARTICIPATION**  
**ENVIRONMENTAL IMPACT ASSESSMENT FOR MINERAL EXPLORATION ON EPL 8897**

This notice serves to inform all interested and affected parties that an application for the environmental clearance certificate will be launched with the Environmental Commissioner in terms of the Environmental Management Act (No.7 of 2007) and the Environmental Regulations (GN 30 of 2012).

**Location:** The license area is located about 40 km north of Outjo. The proponent intends to explore for Copper. Exploration methods may include geological mapping, geophysical surveys, sampling and drilling.

**Proponent:** Tartisius Gaeseb

All interested and affected parties are hereby invited to register and submit their comments regarding the proposed project on or before **20/03/2024**. Contact details for registration and further information:

**Impala Environmental Consulting**  
 Mr. S. Andjamba

**Environmental Impact Assessment (EIA) for the proposed establishment of 90 Agricultural Plots and associated infrastructure**

Notice is hereby given to all Interested and Affected Parties (I&APs), that an application for an Environmental Clearance Certificate will be submitted to the Environmental Commissioner for the following activities.

**Proposed Activities:** The establishment of 90 Agricultural Plots and associated infrastructure

**Project location:** Remainder of Portion B of Swakopmund Townland No.41, Swakopmund, Erongo Region

**Proponent:** Municipality of Swakopmund

**Description:** The Municipality of Swakopmund has demarcated an area within its townlands for urban agricultural activities, primarily horticulture production and poultry farming. The demarcated area will be divided into 90 plots or small allotments to be leased to interested local farmers. The proposed activities will trigger certain activities listed under Schedule 1 of the Environmental Management Act 07 of 20017 as activities that cannot be undertaken without an EIA being undertaken.

All I&APs are hereby invited to register, request the Background Information Document (BID), attend the public meeting, and submit input to [eia@greengain.com.na](mailto:eia@greengain.com.na) or [ikondja@gmail.com](mailto:ikondja@gmail.com) The last day to submit input is **06 March 2024**.

**I&APs are invited to the public meeting which will take place as follows**

**Date:** Wednesday, 21 February 2024  
**Veneu:** Multi-purpose Center (Hall), Mondesa  
**Time:** 18H:00 to 19H:00
