OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Manager
Kunene Crush Stone CC
P O Box 120

Dear Sir/Madam

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED SMALL SCALE MINING CLAIMS NO. 70199-70203, 70205, 70207-70210, OTJOKAVARE VILLAGE, KUNENE REGION

The Environmental impact assessment and Environmental Management Plan submitted are sufficient as they have made an adequate provision of the environmental management for the proposed activities. From this perspective, regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance certificate for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with Kunene Crush Stone CC and their consultants.

This environmental clearance is valid for a period of (three) 3 years, from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
ENVIRONMENTAL COMMISSIONER
