## NOTICE

Take notice that **HARMONIC TOWN PLANNING CONSULTANTS CC**, Town, and Regional Planners, on behalf of the owner of the respective erf, intends to apply to the **Rehoboth Town Council** and the **Urban and Regional Planning Board** for the:

- Rezoning of Erf No. Rehoboth B 108 from "Single Residential" with a density of 1:500 to "Institutional"; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf No. Rehoboth B 108 measures approximately ±3 629 m<sup>2</sup> in extent and is zoned "Single Residential" with a density of 1:500 according to the Rehoboth Zoning Scheme. The Methodist Church intends to rezone Erf No. Rehoboth B 108 to expand the activities of the Acasia Primary School. The rezoning to "Institutional" will bring the zoning into conformity with the existing activities on the erf. The proposed development will also allow the church to optimise the use of the erf to its full potential.

Sufficient parking for the development will be provided in accordance with the requirements of the Rehoboth Zoning Scheme.

Further take notice that the plan of the erf lies for inspection on the town planning notice board at the **Rehoboth Town Council** and at **Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West**.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the **Rehoboth Town Council** and with the Applicant in writing within 14 days of the last publication of this notice (**final date for objections is Friday, 19 April 2024**).

## NOTICE

Take notice that **HARMONIC TOWN PLANNING CONSULTANTS CC**, TOWN AND REGIONAL PLANNERS, on behalf of the owner of the respective erf, intends to apply to the **Rehoboth Town Council** and the **Urban Regional Planning Board** for:

- Rezoning of Erf Nr. Rehoboth A 454 from "Single Residential" with a density of 1:500 to "General Residential" with a density of 1:100; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf Rehoboth, A 454, measures ±1578 m<sup>2</sup> in extent and is zoned "Single Residential" with a density of 1:500. The proposed rezoning to "General Residential" with a density of 1:100 will enable the erf owner to develop flats on the erf. Parking to the development will be provided in accordance with the requirements of the Rehoboth Zoning Scheme.

Further take notice that the plan of the Erf lies for inspection on the town planning notice board at the **Rehoboth Town Council** and at **Harmonic Town Planning Offices, 76B Pasteur Street, Windhoek West**.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the **Rehoboth Town Council** and with the Applicant in writing within 14 days of the last publication of this notice (**final date for objections is Thursday, 19 April 2024**).

Dear Interested and Affected Party

Environam Consultants Trading is a wholly Namibian owned environmental management consultancy providing an array of environmental services to our clients including: Strategic Environmental Assessments; Environmental Assessments; Strategic Environmental Management Plans; Environmental Management Plans; Environmental Management Systems; Environmental Auditing, Monitoring and Evaluation; Solid Waste Management; and Project Management. Our daily activities are underpinned by excellent environmental outcomes aimed at achieving a symbiotic relationship between development and the environment.

We have been appointed by MBA Management Solution to undertake the environmental scoping exercise and apply for an environmental clearance certificate from the Environmental Commissioner for the project below:

**Proposed Construction and Operation of a Renewable Solar Energy Facility and Battery Energy Storage System in the Erongo Region**

This is a listed activity as per the *List of Activities requiring Environmental Clearance* (Government Notice 29 of 6 February 2012) and accordingly require an Environmental Impact Assessment (EIA) to be conducted.

In line with Regulation 21(2) of the mentioned EIA Regulations, a Background Information Document (BID) is distributed to pre-identified Interested and Affected Parties as part of the public consultation process for this Environmental Impact Assessment.

An Environmental assessment will be undertaken to determine the potential impact of the development on the environment and to determine all safety, health and social impacts associated with the proposed development activities.

Should you require any additional information or would like to register as an I&AP, please contact us at Mobile: +264 81 458 4297 or E-Mail: [colin@environam.com](mailto:colin@environam.com); on or before 19 April 2024.

A Public consultation meeting will be held on 04 April 2024 at 10:00 am. The venue of the meeting will be the Arandis Community Hall, Arandis, Erongo Region.

Regards,

**Colin P Namene**
