

NOKWANDA SIKHAKHANE

Environmental Consultant

+27 78 019 5272

nokwandanzimase@gmail.com

Johannesburg, Gauteng

PROFILE

My professional passion is anchored on championing sustainable business practices that prioritize environmental conservation while fostering socio-economic well-being. I possess a diverse background in risk management, having successfully undertaken projects across industries ranging from mining to pharmaceuticals. My expertise in Environmental Law and Auditing enable me to provide informed recommendations and ensure strict adherence to relevant legislation. I have experience in developing and reviewing SHE policies and procedures. I am registered as a Candidate Environmental Practitioner with EAPASA.
