Depending on how well humans get a handle on carbon emissions and rising temperatures, a child born today could be confronted with multiple climate-related health threats before turning 30, the report shows.

The IPCC's 4 000-page draft report, scheduled for release next year, offers the most comprehensive rundown to date of the impacts of climate change on our planet and our species.

It predicts that up to 80 million more people than today will be at risk of hunger by 2050.

It projects disruptions to the water cycle that will see rain-fed staple crops decline across sub-Saharan Africa. Up to 40% of rice-producing regions in India could become less suitable for farming the grain.

Global maize production has already declined four percent since 1981 due to climate change, and human-induced warming in West Africa has reduced warming in sorghum yields by up to 20 and 15% respectively, it shows.

The frequency of sudden food production losses has already increased steadily over the past 50 years.

Arsenal have moved closer to reaching an agreement for Brighton and England defender Ben White, 23, in a deal that could be worth around £50m. **(Athletic)**

Liverpool could bid for French superstar Kylian Mbappe as the 22-year-old forward has told Paris St-Germain he wants to leave the club this summer. **(Star)**

Aston Villa are confident they can fend off interest from Manchester City, Chelsea and Manchester United to keep a hold of England midfielder Jack Grealish, 25. **(Athletic)**

Grealish's representatives, however, believe they have got the go-ahead for him to leave Villa, which could see him make a £100m move to Manchester City. **(Sun)**

Dean Smith's side also have no interest in selling Scotland midfielder John McGinn this summer, with Liverpool believed to be considering a bid for the 26-year-old. **(Express and Star)**

Liverpool are monitoring Portugal and Lille midfielder Renato Sanches as a replacement for Gini Wijnaldum. The 23-year-old helped the French side win the Ligue 1 title last season. **(HTC)**

Liverpool have begun talks with PSV Eindhoven about a deal for 22-year-old Dutch forward Donyell Malen, who is expected to cost about £34m. **(Sky Sport Germany, via Express)**

Chelsea are the most likely side to land Sevilla defender Jules Kounde, 22. The Frenchman has been attracting interest from Manchester United, but now it seems the west Londoners are at the front of the queue. **(ABC Sevilla, in Spanish)**

Brighton, Burnley, West Ham and newly promoted Norwich City have all been linked with Barcelona's 30-year-old Denmark forward Martin Braithwaite. **(Sport - in Spanish)**

French defender William Saliba, 20, is again poised to leave Arsenal on loan and has attracted a number of suitors across Europe, including Nice where he had a spell last season. Newcastle United, Southampton, French clubs Rennes, Marseille, Lille, German side Bayer Leverkusen as well as two unnamed clubs in Italy are also said to be interested. **(Footmercato - in French)**

West Ham have tabled a £17m offer for Fiorentina's 23-year-old defender Nikola Milenkovic, but the bid is a long way short of what the Serie A club want for the Serbia international. **(Calciomercato - in Italian)**

Arsenal manager Mikel Arteta has made Rennes midfielder Eduardo Camavinga his primary target this summer. The 18-year-old only has one year left on his current deal, and Arteta is willing to let four players go in order to pay for the Frenchman. **(Express)**

Burnley are set to make a bid for Werder Bremen's Czech Republic international goalkeeper Jiri Pavlenka, 29. **(Bild - in German)**

Leeds United could make a move for Blackburn Rovers' 22-year-old forward Ben Brereton following his impressive performances for Chile at the Copa America. **(RedGol, via Mail)**

Dear Mr. Nepolo

**SUBJECT: APPLICATION FOR A RIGHT OF LEASEHOLD // SERVICE STATION BY NEW NORMAL (PTY) LTD – OSHIFUKWA VILLAGE**

With reference to the above subject matter, Oshikoto Communal Land Board hereby acknowledge receipts of your application dated 23/03/2021 to establish a service station at Oshifukwa village.

After a thorough scrutiny of your application, it proves that your application does not conform to the requirements of the Communal Land Reform Act, 2002 (Act No. 5 of 2002) due to the fact that, an Environmental Impact Assessment (EIA) clearance certificate is outstanding and it is a crucial requirement for your application to be considered by the Land Board. A site verification and mapping has been conducted to determine the area size of **8126 m<sup>2</sup>** in extent.

In light of above, you are required to kindly provide an Environmental Clearance Certificate from relevant institution for your application to be considered.

Hoping you will find the above in a good order.

Sincerely

Secretary: Oshikoto Communal Land Board
