OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
Kayunyi Investment CC
P.O. Box 50852
Windhoek
Namibia

Dear Sir or Madam:

SUBJECT: ENVIRONMENTAL CLEARANCE FOR PROPOSED TOWNSHIP DEVELOPMENT MIXED-LAND USE ON RE/ KATIMA MULILO TOWNLANDS NO 1328, ZAMBEZI REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following conditions: (a) all affected and interested parties must be properly consulted throughout the lifecycle of the proposed project; (b) any environmental concerns must be managed in an environmentally sound manner, and also in compliance with the by-laws of the Katima Mulilo Town Council; (c) written consent must be obtained from all relevant permitting authorities.

On the basis of the above, this letter serves as an environmental clearance for the proposed project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with Kayunyi Investment CC and their consultants.

This environmental clearance is valid for a period of 3 (three) years, effective from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila

ENVIRONMENTAL COMMISSIONER
