Re: **Construction and Operations of a Consumer Fuel Installation for the Namibian Police Force in Ongha, Ohangwena Region**

Please note that the proof of public consultation for the **Construction and Operations of a Consumer Fuel Installation for the Namibian Police Force in Ongha, Ohangwena Region**, for the Ministry of Home Affairs, Immigration, Safety and Security, forms part of the EIA Scoping Report.

The Ministry of Mines and Energy send their consent **directly to** MEFT once they completed the review process of the EIA documents.

Thank you in advance.

Sincerely,  
**Geo Pollution Technologies**
