SOLSQUARE ENERGY (PTY) LTD

We are looking for an experienced and dynamic person to fill the position of a Financial Manager

About The Position

Working alongside a business' MD or CEO, the Finance Manager will not only be an exceptional accountant and hands-on with company finances but will also be commercially aware, advising on the best path of growth for the business. The role of the Finance Manager has overall control and responsibility for all financial aspects of company strategy and is expected to analyse figures and implement recommendations based on these findings, with the most profitable outcomes and often managing and leading a team through difficult periods including month end, year end and annual budgeting.

Duties and Responsibilities:

- Provide leadership to the Board's Finance and Accounting strategy, to optimise the company's financial performance and strategic position.
- Contribute fully to the development of company strategy across all areas of the business, challenging assumptions and decision-making as appropriate and providing financial analysis and guidance on all activities, plans, targets and business drivers.
- Ensure that company financial systems are robust, compliant and support current activities and future growth.
- Ensure corporate budgeting processes are carried out and reviewed.
- Take ultimate responsibility for the company cash management policies.
- Present annual accounts to investors.
- Ensure that the regulatory requirements of all statutory bodies are met.
- Corporate finance: manage company policies regarding capital requirements, debt, taxation, equity, disposals and acquisitions, as appropriate.
- Establish a high level of credibility and manage strong working relationships with external parties including customers and advisors.

Skills/Requirements:

- 5-8 years' experience in an operational finance management role
- Foreign trading (import and export)
- Very strong operational experience
- Meet the requirement for a commercially astute, articulate, technically strong, dynamic, insightful and influential leader with the ability to operate at both strategic and operational levels.
- Strong IT skills, always being ahead of new technologies
- Ability to handle high levels of pressure and critical decision-making.
- High integrity and openness combined with commitment to good governance.
- Namibian citizen or relevant qualifications in order to apply for Work Permit

Which qualifications will secure this position?

- Accountant Qualification
- Honour Degree in Financial Management
- Advanced Word/Excel training
- Experience within the manufacturing- and/or game breeding- and/or tourism industries

Please email your detailed CV to
finance.nam@solsquare.com

We are looking for an experienced and dynamic person to fill the position of a Financial Manager

About The Position
 Working alongside a business' MD or CEO, the Finance Manager will not only be an exceptional accountant and hands-on with company finances but will also be commercially aware, advising on the best path of growth for the business. The role of the Finance Manager has overall control and responsibility for all financial aspects of company strategy and is expected to analyse figures and implement recommendations based on these findings, with the most profitable outcomes and often managing and leading a team through difficult periods including month end, year end and annual budgeting.

Duties and Responsibilities:

- Provide leadership to the Board's Finance and Accounting strategy, to optimise the company's financial performance and strategic position.
- Contribute fully to the development of company strategy across all areas of the business, challenging assumptions and decision-making as appropriate and providing financial analysis and guidance on all activities, plans, targets and business drivers.
- Ensure that company financial systems are robust, compliant and support current activities and future growth.
- Ensure corporate budgeting processes are carried out and reviewed.
- Take ultimate responsibility for the company cash management policies.
- Present annual accounts to investors.
- Ensure that the regulatory requirements of all statutory bodies are met.
- Corporate finance: manage company policies regarding capital requirements, debt, taxation, equity, disposals and acquisitions, as appropriate.
- Establish a high level of credibility and manage strong working relationships with external parties including customers and advisors.

Skills/Requirements:

- 5- 8 years' experience in an operational finance management role
- Foreign trading (import and export)
- Very strong operational experience
- Meet the requirement for a commercially astute, articulate, technically strong, dynamic, insightful and influential leader with the ability to operate at both strategic and operational levels.
- Strong IT skills, always being ahead of new technologies
- Ability to handle high levels of pressure and critical decision-making.
- High integrity and openness combined with commitment to good governance.
- Namibian citizen or relevant qualifications in order to apply for Work Permit

Which qualifications will secure this position?

- Accountant Qualification
- Honour Degree in Financial Management
- Advanced Word/Excel training
- Experience within the manufacturing- and/or game breeding- and/or tourism industries

Subject: RE: ESIA STAKEHOLDER CONSULTATION MEETING-PROPOSED TELECOMMUNICATION TOWERS AT HARDAP AND AIS AIS RITCHERSVELD RESORTS

Dear Mr. Tjihukununa

Cc: |Ai-|Ais/Richtersveld Transfrontier Park and Hardap Game Reserve Park Managers

D&P Engineers and Environmental consultants cc were appointed by Powercom Pty Ltd to conduct Environmental and Social Impact Assessment (ESIA) studies for the proposed telecommunication towers at Ais Ais and Hardap Resorts. As part of the ESIA being conducted under the Environmental Management Act No. 7 of 2007 and the Environmental Assessment Regulations of 2012 we are required to conduct a full stakeholder and public participation on the project to map out potential environmental, social, economic and biophysical impacts of the proposed developments.

As such, herewith attached is a letter inviting your office to a stakeholder consultative meeting for the proposed development as well as furnishing you with more information on the project. Also attached are locality maps with pin-pointed areas earmarked for development.

We look forward to your feedback and attendance to the meetings so that we can conduct the development within the legal and administrative requirements of the Parks Management Plans.

Kind Regards

Tendai

**Re- endorsing the telecommunication tower construction by PowerCom in
Hardap Game Park**

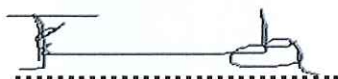

The above subject bears reference;

The proponent, PowerCom Pty Ltd specializing in telecommunication Base Transceiver stations construction and operations across the country are currently spearheading the establishment of a telecommunication base transceiver stations at key tourist resort areas in the country. In this respect, Hardap was identified for this development.

As an away forward, D&P Engineers and Environmental consultants cc were appointed by PowerCom Pty Ltd to conduct Environmental and Social Impact Assessment (ESIA) studies for the proposed telecommunication towers in Hardap Game Park (HGP). This is in line with the ESIA being conducted under the Environmental Management Act No. 7 of 2007 and the Environmental Assessment Regulations of 2012.

On Friday 10th September 2021, a comprehensive consultative stakeholder and public meeting on the subject matter was held in HGP. The outcome of the meeting was to our satisfaction, we (Park staff) therefore have no objection with the proposed tower construction within HGP, moreover, the contract should only be signed once the Environmental Impact Assessment (EIA) has been approved.

Thanking you in anticipation for your positive consideration.
