OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Cacious Siboleka
Director and Owner
SSN Investment cc
P. O. Box 31400
Windhoek

Dear Mr Siboleka

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE CONSTRUCTION OF A LIGHT INDUSTRIAL WAREHOUSE / STORAGE FACILITY AT LISELO COMMUNAL AREA, ZAMBEZI REGION

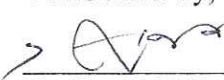

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all applicable and required permits are obtained and mitigations measures are applied particularly with respect to management of ecological impacts.

On the basis of the above, this letter serves as an environmental clearance certificate for the construction of a light industrial warehouse / storage facility on a 2.5 ha land area at Liselo communal area. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with the SSN Investment cc and its consultants.

This environmental clearance certificate is valid for a period of 3 (three) years, effective from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
