Dear: Consultant

SUBJECT: CONSENT LETTER OF ELECTRICITY FROM PUROS CONSERVANCY.

I hope this letter will find your good office very well, I Mr. Leon K Kasupi the chairperson of Puros conservancy hereby do write this consent letter to your good office.

On 11 May 2024, Puros conservancy had a member's General Meeting at Puros conservancy to have few information sharing, and amongst all electricity was one of the major point. I want to assure you that the people of Puros do not have an issue as they were indicating various area were electricity plants should be established, that showed some good positivity within them. As per the various two meetings, we have held with you I think this letter serves as a boost to the processing of the project.

if you feel like meeting the people of Puros once more again, Please do not hesitate to contact me in order to make internal arrangement(gathering of members) at the following details; cell +264 81 480 3697 email: kkasupi@outlook.com/frankkasupi. Looking forward to hearing from your good office.

Thanks for your time.

Sincerely,

A handwritten signature in black ink, appearing to be 'L. Kasupi', written over a horizontal dashed line.

Mr. Leon Kasupi
Puros Conservancy
Chairperson

Land allocation for renewable energy station
Executive Director
Ministry of mines and energy
Windhoek
Att: Mr Penda Ithindi

Dear sir

Re: Allocation of land

The Traditional leaders and community of Puros held a meeting on 21 June 2024 in Puros in presence of Regional councillor of Sesfontein constituency Hon. Hendrick Gaobaeb, a representatives of Ministry of Mines and energy, Nored , GIZ and European Union and EIF respectively.

During the meeting it was resolved that the 5 hectares of land allocated to Ministry of Mines and energy for construction of the renewable energy supply station on the Eastern side of the village(Puros). Therefore as members of Puros conservancy together with our Traditional leaders, we would like to give you this support letter of the land allocation to the ministry to grant/go forth with the construction of the renewable energy supply station.

We sincerely hope that our letter will find your good office clearly and thank you for your immediate attention. For more information, please contact Mr. Leon Kasupi @ +264 81 480 3697 email; ikasupi@outlook.com.

Sincerely

D.K

Dear Mr. Libanda,

Att: C. Shaduka

RE: APPROVAL FOR MINI-GRID DEVELOPMENT PROGRAM FOR PUROS LOCALITY

NORED is pleased to have participated in the feasibility study carried out by RDJ Consulting towards the electrification of the Puros community.

Our project-designated Technical Team, RDJ, and the TIDRET team have since presented the findings to NORED Exco and we are pleased to inform you that such has been received favourably.

We would hereby like to inform you that NORED has formally approved the implementation terms of the project as set out in the Feasibility Study in partnership with EIF & MME subject to the availing of grant funds from both institutions.

We look forward to the development of the Mini-Grid for the Puros locality that will enhance the economic activities and improve the lives of Puros inhabitants.

We trust that you find the above in order.

Yours Sincerely,

Fillemon Nakashole
